## NEW FORMAT INVOICES

From next month you will receive invoices from our new booking and billing system. Please note that our new computer system uses a different customer number, so for those that pay online, please make sure you use the correct reference so we can apply the payment correctly to your account. Thanks.

Students with lesson fees overdue may receive 2 invoices (the pink one from the old and a white one from the new computer system) until their account is brought up to date. Please note that when making your payment, the totals from each invoice must be added together to calculate the full amount due.

Please ensure that this month's invoices are paid in full upon receipt so that your account is all up to date for the changeover.
