### SCHOOL HOLIDAYS

Our centres are usually open for most teaching as normal over the school holiday period. Individual lessons with most teachers are on at their regularly scheduled times. If your teacher has had to make alternate arrangements, they will have done so personally & in advance.

If you need to discuss anything about your lessons over the holiday period, please make sure you talk to your teacher directly before the end of term. Thanks, they look forward to hearing from you.

NOTE: There are no lessons for 'Forte' early childhood music students or for students learning at our in-schools teaching.

### LESSON INVOICES

MEC bills for lessons in advance. Enclosed with this newsletter is your most recent statement. Please remember to pay this account in full, upon receipt. Thank you.

### Individual lessons at our Glenfield, Henderson or Ponsonby locations:

Lessons are billed monthly in advance. Payment is due before the second scheduled lesson. Lessons missed by students cannot be made up nor refunded.

### Individual lessons in our schools programmes:

Lessons are billed term by term in advance. Payment is due before the second scheduled lesson. Allowance is made for one lesson to be made up each term due to school trips etc. If no lessons are missed in the term, the extra lesson given will be added to the following term's account.

### Early childhood - Forte School of Music students:

Lessons billed in 10 week blocks in advance. Payments can be split into three payments over the term, before the 1st, 3rd and 7th lesson. Make up lessons can sometimes be arranged provided advance notice is given & another class at a suitable level is available.

### Group lessons in schools (for beginner students):

These are billed as a set fee for 13 lessons in terms 1 & 2. Group students are charged in 4 installments to their credit card. A STATEMENT IS SENT FROM THE CENTRE FOR YOUR REFERENCE AND INFORMATION ONLY. There is no need to make further payment.

Regardless of which of our fantastic musical programmes you are in, please make sure that you stay paid up to date so that lessons are not affected by account issues. Thank you.
